

**Section 248**  
**SCHOOL IMPACT QUESTIONNAIRE**

This questionnaire is intended to help applicants gather evidence to submit under Criterion (b)(5) - Educational Services. A letter or narrative from the Superintendent or appropriate school official may also serve as evidence.

**PETITIONER TO COMPLETE:**

Applicant Name ADDISON SOLAR FARM LLC  
 Municipality FERRISBURGH, VT  
 Number of Lots or Units 1  
 Estimated Number of Students 0 Source of estimate: N/A

**SCHOOL SUPERINTENDENT OR EQUIVALENT TO COMPLETE:**

a) What schools under your supervision will provide educational services for families who will live in this project?

Elementary school \_\_\_\_\_

Middle school \_\_\_\_\_

High school VUHS

b) Do these schools have the capacity to accept the additional students listed above? (assume equal grade distribution) [] Yes or [] No

c) If "no", what is the deficiency?

d) What plans are in place to correct the problem, including any capital construction projects?

e) Do you have other comments? *Because there are no students who will live "in" the solar farm there are no impacts on our education structure. We will benefit educationally, as a matter of fact.*

f) Are you available, after sufficient notice, to answer questions related to the above statements at

a Section 248 hearing? [] Yes or [] No

I certify the above information is true and accurate to the best of my knowledge.
